The Echo

MARGARET BABCOCK

Glee Club (1); English Club (3).

"Courage to endure and obey."

Naturally of sober demeanor and earnest nature she prefers to remain in the background rather than to advertise her achievements.

FRANK BENDER

"Not girls but grades have been his aim."

Frank never shirks his studies for no teacher has yet found him irresponsible.

ELIZABETH BRUNNER—"Lib"

Glee Club (1), (2), (3); English Club (3), (4); Spanish Club (3), (4); B. B. Squad (4); Echo Staff.

*"She little heeds the rigid rule,
The dull restraint, the chiding frown;
The weary training of the school
Cannot tame her spirits down."*

"Lib" is everyone's friend even if her thoughts are often "elsewhere". It is not hard to guess where, as her eyes often turn northward.

EDWARD BOBZIEN

"Give me harmony or give me death."

Edward is quiet, dignified, and courteous. He has won a permanent place in the affections of his classmates.

MARY CHANDLER

Glee Club (1), (2).

"There's nothing ill that can dwell in such a temple."

Mary is so good natured all the time and so sincere in her school work that we can't help being glad that she is with us.

KARL F. BRAND

Orchestra (3), (4).

"Like a quiet lake, unruffled by the wind."

Karl has been with us only these last two years. Altho quiet and studious he boasts many friends.

The Echo

ROBERT BROWN

Glee Club (2), (3); Science Club (3); Track (2), (3), (4).

"Himself alone and none others he resembles."

If you meet a fellow with a monstrous pair of glasses and a most genial smile, it's "Bob", and the life of the party.

LILLIAN CHRISTIAN

Glee Club (2), (3), (4); B. B. Squad (4).

*"Her eyes are blue,
As her heart is true."*

Lillian although quiet and reserved, is always pleasant—a true friend to all her classmates.

SAMUEL BROWN

"The mildest manner and gentlest heart."

Sam has not advertised his qualities very prominently but he has been a relying factor of our class just the same.

DOROTHY DEMUTH—"Dot"

B. B. Squad (2), (3), (4); Glee Club (1), (2), (4); English Club (3), (4); Spanish Club (3), (4); Science Club (3); Math Club (3); Echo Staff.

*"In her eyes the mischief twinkles,
Always in for lots of fun."*

She is an honor student, a social leader, and an athlete. Loyalty and elemental friendliness are the mainsprings of her character.

LOUIS CONN—"Louie"

*"To worry little, to study less,
That's my idea of happiness."*

"Louie" portrays this saying well, but he has secured many friends in his high school career.

MARY LOU EDIE

*"But smiling the brighter,
The darker the day,
Her sunshine would scatter the shadows
away."*

Mary Lou is one of our small girls who likes to laugh and talk.

The Echo

RUTH FOWLER—"Ruthie"

Glee Club (1), (3); English Club (2), (3);
Math Club (3); V. Pres. (3), (4); Historian
(2); Latin Club (3), (4); E Club (2), (3);

*"And none of the things thou canst desire
are to be compared unto her."*

Science Club (4); Echo Staff.

Ruth's qualities of leadership and charming
personality have won her many friends. To
sum it all up what would we have been able to
do without her?

HOLLIE COVERT

"He is full of good intentions."

Hollie always sees the funny side of every-
thing. He has won many admirers by his smil-
ing countenance.

LUCILLE FRYE

Glee Club (1).

*"I am all the daughters of my house
And all the brothers too."*

Lucille is one of our prettiest classmates. Her
thoughts and eyes are always directed toward
Newcomertown. We wonder why?

JESSE DEMPSTER—"Jess"

*"He speedeth by on the wings of the morn,
With a rattling of bolts and a honk of the
horn."*

AGNES GRANVILLE

Glee Club (1); English Club (2), (3), (4);
Math Club (3); E Club (3); Spanish Club (3),
(4); Science Club (4).

*"Never quiet, never still,
Always talking, talk she will."*

Altho' Agnes is always talking and laughing
she never neglects her studies, for she was in
the E Club last year.

BERNARD DEVINE—"Bud"

Math Club (3), (4); Spanish Club (3); Or-
chestra (4); Science Club (4); Track (3), (4).

*"Laugh and the world laughs with you,
Weep and you weep alone."*

Bud loves an argument. He has always
done his share to provide fun and entertainment
in both social and class life.

The Echo

JAMES P. DOOLING—"Jim"

Foot-ball Manager (1), (2), (3), (4).

*"He knows his place and purpose,
And performs his duty well."*

"Jim" is one of those rare souls who does his bit and does it well. He takes his pleasure in doing his duty and can always be depended upon in a "pinch".

PAULINE HAND

English Club (4).

*"She is prim, she is neat:
She is pleasant and sweet."*

Pauline has been with us only this year and has proved a good classmate; we are sure Port Washington misses her.

PAUL FERRELL

B. B. Squad (1), (2), (3); Orchestra (2), (3), (4); Glee Club (3).

"Every inch a gentleman."

The noise Paul makes blowing his trumpet makes up for his quietness at other times.

EDITH HENTHORNE

Music Appreciation (1); B. B. Squad (2), (3), (4), Capt. (4); Glee Club (1), (2), (4); English Club (2), (3); Spanish Club (3), (4); Science Club (4); Math Club (3); Historian (4); Echo Staff.

Edith is an all around girl, sharing in all the activities in high school. Athletics seem to be her main interest, as she has proved in many ways. But she will not look at the boys in our high school for her interest is else where. We wonder where?

ROBERT GATES—"Bob"

Orchestra (3), (4).

"Ambition is no cure for love."

Beware of love, Bob, for if you want to play in a "Brass Band" the fair sex is of little help.

LA VERA HESTON

Math Club (3); English Club (2), (3), (4); Glee Club (1); Music Appreciation (1); B. B. (1).

"A friendly heart with many friends."

La Vera is one of those rare persons who is gifted with a large vocabulary and knows how and when to use it. Success to you La Vera.

The Echo

MARGARET HILLIKER

B. B. Squad (2), (3), (4); Glee Club (1), (2), (3), (4); English Club (2); Music Appreciation (1); Math Club (3).

"Cares not a pin what they say or may say."

Margaret is fond of excitement and a good time. She generally manages to find the former and have the latter. Nevertheless she has a fine school spirit and appreciates the more worth while things.

ROBERT GOODING—"Bob"

Echo Staff; Spanish Club (3).

"My wit is my salvation."

Here is our joke editor of the Echo. Without "Bobs" jokes classes would be dryer than usual. Just the same "Bob" will go a long way in life.

MARGARET JOHNSON

"An opened hearted maiden, true and pure."

Another one of the demure ones—that is until you know her. Then she is fairly bubbling over with fun and high spirits.

JOHN HAND—"Jack"

Foot-ball Varsity (4); Basket-ball Varsity (4); English Club (4); Math Club (4).

*"His eyes twinkle in his head aright,
As do the stars in a frosty night."*

"Jack" always looks as if he were up to some mischief. But he is really a "good" little boy and a favorite of every one.

MARGARET LYTLE—"Peg"

B. B. Squad (2); English Club (3); Spanish (3), (4); Glee Club (1), (2), (3).

"Ye Gods, I can hear that giggle yet."

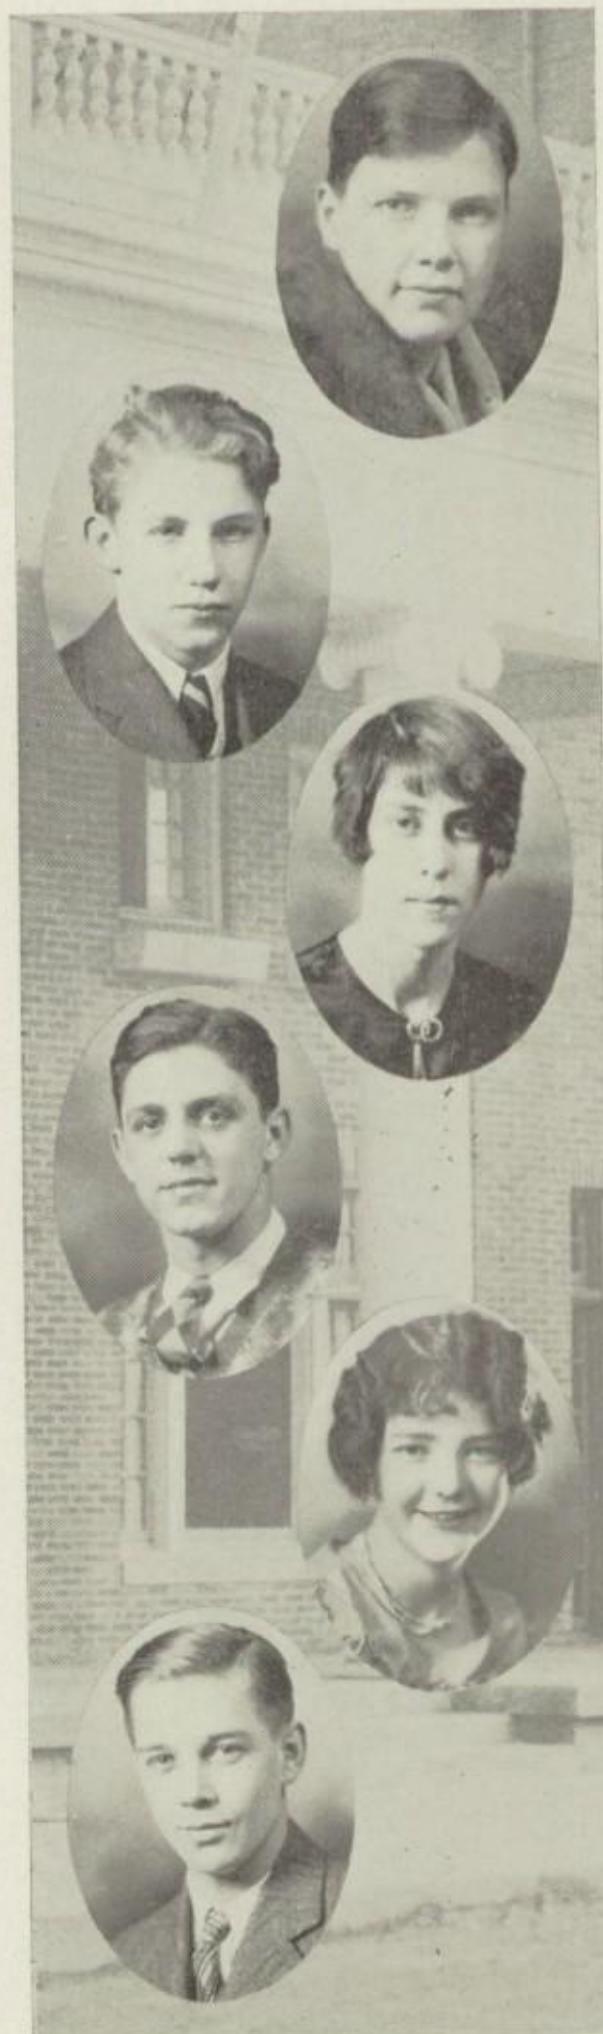

In this maid we find a wee bit of gayety and a great desire to gossip. Just the same "Peg" has been indispensable to the class of '28 in social and class activities.

SCOTT HARRISON—"Scotty"

Class Pres. (2), (3); Echo Staff; Athletic Treas. (4); Cheer Leader (4); Glee Club (3), (4).

"Absence of occupation is not rest, a mind quite vacant is a mind distress."

"Scotty" is always busy, holding down such a position as Athletic Treasurer doesn't seem to be so easy. We are glad our class had such a versatile fellow for one of its members.

The Echo

WILLIAM T. HAVERFIELD

Foot-ball Squad (2), Varsity (3), (4); B. B. Manager (2), (3), (4); Glee Club (2), (3), (4); Science Club (3), (4); Echo Staff; Math. Club (3); Class Pres. (4); V. Pres. (2).

"You've a bold heart, keep it so."

"Bill" is interested in his studies, athletics, and last but not least, girls. He is going to be a doctor. Success to you, Bill.

GLENNA MATHIAS

*"Never cross and never snappy,
Always pleasant, always happy,
Brown-eyed girl she is indeed
Trusty friend in every need."*

SAMUEL B. HITCHCOCK—"Sam"

"Worth makes the man."

"Sam" is quiet and interested only in his studies. He is absolutely "girl-proof".

MARGARET MAZURIE—"Marg"

Glee Club (1), (2), (3), (4); English Club (2), (3), (4); Latin Club (3), (4); Spanish Club (3), (4); B. B. Squad (2), (3), (4); Science Club (4); Echo Staff.

"She is easy to remember

She is harder to forget."

Good looking, colorful and brimful of vitality—that describes Marg. She is a popular young lady, but seems to prefer college "shieks" to her own high school friends.

DELBERT HUFF—"Deb"

Foot-ball Squad (1), (2); Varsity (3), Capt. (4); B. B. Squad (2), Varsity (3), (4); Track (3), (4).

"A little nonsense now and then,

Is relished by the best of men."

"Deb" is one of our star athletes. He is always ready for a good laugh but when it comes to athletics no one could be more serious.

DOROTHY McCONNELL

Glee Club (1), (2), (3), (4); English Club (3); Spanish Club (3), (4); Science Club (4); Math. Club (3).

"A maiden never bold, of spirits still and quiet."

"Dot" by earnest efforts to acquire knowledge and her readiness to serve has won the esteem of her classmates and teachers.

The Echo

HELEN McDEVITT

Glee Club (1), (2); English Club (3); Spanish Club (3), (4); Science Club (4); Orchestra (4); Math Club (3).

*"I have no other but a womans reason
I think him so because I think him so."*

But there is probably another reason, and we are quite sure it is quite satisfactory. Helen's willingness in school activities has won her many friends.

LeROY HUNT

English Club (4).

*"Of smooth and steadfast mind,
Gentle tho'ts and calm desire."*

LeRoy "hails" from Leesville. Altho he has been in U. H. S. only this last year it did not take us long to realize his artistic ability.

MARGARET MILLER

*"Unconscious as the sunshine
Simply sweet and generous."*

Margaret has been so quiet during these four years and as yet we have not been able to draw her out. Still, she is a good pal, and with her cheery smile will make life worth while for some one.

DAVID NELSON—"Dave"

Math Club (3); Latin Club (3).

*"If quietness indicated wisdom,
He would be a library."*

"Dave" is one of our best students. He seems to have been endowed with that "mathematical brain" as his teacher will tell you.

LUCILLE MILONE—"Sis"

English Club (2), (3); Spanish Club (3), (4); Math Club (3).

"I worked with patience which is almost power."

"Sis" is one of those who perseveres and succeeds. But to miss a hearty laugh she never dares.

HALDEAN LINDSAY

Orchestra (1), (2), (3), (4); English Club (2), (4).

*"Who does his best, circumstances allow,
does act nobly. Angels could do no more."*

Haldean has done more than his share in making the High School orchestra a success. He has proved the theory that a quiet boy sometimes can make a noise.

The Echo

PAUL WILLIAMS—"Dog-meat"

Orchestra (1), (2), (3), (4); Glee Club (2), (4); Foot-ball Varsity (2), (3), (4).

"There is music in the man."

Paul will be remembered for his "wonderful" assistance to the orchestra and the touchdowns he brought U. H. S.

HELEN PACKER

"Life is short and so am I."

Helen is small but full of activity and sociability. She is interested in "boys" athletics for more than one reason.

ROBERT MAURER—"Bob"

Foot-ball Squad (1), (2), (3), Varsity (4); B. B. Varsity (4); Track (3), (4).

"Always jolly, ready for fun, his admirers are easily won."

"Bob" has the "stuff" all right. He distinguished himself as a quarter-back; many times he displayed the ability to think in a crisis. We're proud of him.

THELMA PACKER

Spanish Club (3, (4); Math. Club (3); E Club (3); English Club (3).

"A contented spirit of existence."

Thelma is another one of our E students. Her beautiful hair and her cheery smile adds sweetness to the class of '28.

WILLIAM MILLER—"Bill"

Science Club (3).

*"To be efficient in a quiet way,
That is my aim thru each day."*

Bill is an energetic class worker and a good student. He has been of great assistance in our class activities.

RUTH PARRY

Glee Club (1), (2), (3), (4); English Club (2), (3), (4); Spanish Club (3), (4); Class Sec. Treas. (2); Math. Club (3); Echo Staff.

*"Never put off until tomorrow
What you can do today."*

Ruth certainly carries this out to perfection in both her studies and class activities. Always ready to do her share, she has been invaluable to the class of '28.

The Echo

MARJORIE ROBINSON—"Marge"

B. B. Squad (2), (3), (4); Varsity (2), (3); Glee Club (1), (2); English Club (3); Spanish (3); Math. Club (3); Echo Staff.

*"Tomorrow do thy worst,
For I have lived today."*

"Marge" is always full of fun and enjoys her nickname. Her kindness to every one has won her an enviable place in Uhrichsville High.

EDWIN MOODY—"Ep"

Foot-ball Squad (1); Varsity (2), (3), (4); Athletic Pres. (3), (4); Echo Staff.

"Accidents will occur in the best of regulated families."

"Ep" ranks high both as to quality and quantity. Foot-ball is "Ep's" second name as his record has proven. Everyone knows "Ep". His popularity is deserved.

NELLIE ROTH

Glee Club (1), (2), (3), (4); Spanish Club (3), (4); English Club (3), (4); Science Club (3).

"From her eyes sparkle a message of youth and jollity."

Nellie is of a retiring nature, but she is trustworthy and always smiling.

HERMAN MEYER

Glee Club (3), (4); Track (3).

"Care is an enemy to life."

We are sure this is Herman's belief, but his art seems to make up for this. He's talented and altogether jolly.

HELEN SIMPSON

English Club (2), (3), (4); Glee Club (1), (3), (4); Math. Club (3); Spanish Club (3), (4); Latin Club (3), (4); Science Club (4); Echo Staff; E Association (2), (3), (4).

"Between laughing and talking her day is full."

Here is our diminutive E student. She stands high on the books. A top-notch scholastically but far from a grind. Ability is the explanation.

HOMER REED

Glee Club (4); English Club (2); Spanish Club (4); Science Club (3); Echo Staff.

*"The drug clerk stands behind the counter,
Young dapper and debonair."*

Homer, altho working in a drug store always seems to have the time for class activities. His assistance has been priceless to the class of '28.

The Echo

JAMES RONALD—"Jimmy"

Foot-ball Squad (1); Varsity (2), (3), (4);
B. B. Squad (1); Varsity (2), (3); Capt. (4);
Track (3), (4).

"What should we say: His deeds excel all words."

Actions speak louder than words. We need say nothing, for we all know the asset "Jim" has been to all our athletics.

JENNY SKELLY

English Club (2), (3), (4).

"Wise without learning, fair and good."

Jennie and books are the best of companions. To read is her chief delight. She has added much to the attractiveness of the Senior Class.

CHARLES ROTH—"Chuck"

"Built like a mosquito, long and thin."

"Chuck" is one of the merry-makers of our class. His motto is "a laugh is worth a hundred groans in any market". "Chuck" has many friends to wish him success.

ALTA SPIES

Glee Club (1), (4); Latin (3), (4); Math. Club (3); English Club (4).

"Was ever a sonnet by half;

So pleasing as a school girls laugh?"

If you hear a giggle and a great deal of talking it is Alta. She has time for many friendships, yet she never neglects her lessons.

ELLIS SHAFFER

"Speech is silver but silence is golden."

Ellis is another one of our quiet and studious classmates.

CHARLOTTE STILGENBAUER

Glee Club (1), (2), (3), (4); Music App. (1); Spanish Club (3), (4); Math. Club (3); Latin Club (3), (4); English Club (2), (3); Echo Staff.

"She is the kind of girl you like to see, pretty, graceful, happy and free."

Charlotte is an all round girl with many interests. At present her major study is "Bob". As an Echo saleslady she is unexcelled.

The Echo

OLIVE WELSH

*"Gentle words where such were few,
Softening blame where blame was true,
Praising where small praise was due."*

WILLIAM STOUTT—"Bill"

Treasurer of Echo Staff; Science Club (3); Spanish Club (4).

"I am for peace and quiet, I am."

This exactly describes "Bill". His friends say he is not so quiet out of school, but we can hardly believe this for he never makes any noise in school.

VIRGINIA WILLIAMS

Spanish Club (3), (4).

*"To be efficient in a quiet way,
That is my aim throughout each day."*

Virginia is one of the quiet kind, meeting all her tasks with a resolution and cheerfulness which we all admire.

JOSEPH TIPTON—"Joe"

Glee Club (4); Track (2), (3).

*"He does whatever he can
To prove he is a coming man."*

Without Joe's help as a stage manager many of our plays would not have been successful. Good luck, Joe.

ROBERTA WILSON—"Bob"

Glee Club (1), (2).

"I am stabbed with laughter."

When "Bob" once starts to talk, it is all we can do to keep up with her. Bob likes many things especially dancing and laughing. We could never have done without her in High School.

TAYLOR VANVLECK

Glee Club (2).

"Why vex our souls with care?"

Taylor enjoys a good laugh. He is a good student and a jolly classmate.

The Echo

HARTMAN WEST—"Snakes"

Varsity Foot-ball (3), (4).

"Every man has his devilish moments."

Care sits lightly on "Snakes" shoulders. He is happy-go-lucky and friend to all his classmates.

MARTHA WRIGHT

*"Keen sense and common sense,
And some room for nonsense."*

"Seen but not heard" applies to this young lady. She has been a worthy and reliable student.

SIDNEY WOOD—"Sid"

"And when he danced—Oh Boy!"

"Sid's" motto is "on with the dance". His delight is to tread the fantastic maze on a waxed floor.

MILDRED ZIMMERMAN—"Tillie"

Glee Club (1), (2), (3), (4); English (2).

"Let's be gay while we may."

"Tillie" talks on and on and never seems to pause even for breath. But we don't mind because she's fun and we like her.

HARRY E. WORKMAN—"Bud"

Varsity Foot-ball (4); B. B. Squad (4); Track (4).

*"Of friends he has many,
Of foes has he any?"*

"Bud" came to us just this year, but his personality and athletic ability have proved his worth.

EDNA KEFFER

"Courage to endure and obey."

Edna came from Cleveland to join us for the last semester. We're mighty glad she's one of the class of '28. She excels in Biology, and we predict a brilliant future for her.

Senior Class History

Good-bye U. H. S! Outward bound the class of '28 pauses to bid farewell to Alma Mater. We are leaving behind four years of intense activity, four energetic and adventurous and happy years; years which have proved the strength of our aims and established our heroes.

The chaos of our Freshman year soon passed. The Seniors gave us a Valentine Party and the school accepted us. We had become a part of the group; our members took up their duties in all phases of school life. Heretofore mysteries became commonplace.

The second year our class organized with Scott Harrison as President. A party was held in the Gym. The stars of Edwin Moody, Jim Ronald, Paul Williams, Paul Jones, Deb Huff, Bob Maurer, and Bill Haverfield began to rise on the athletic horizon.

As Juniors, our destiny had begun to work out itself. It was a dramatic colorful year. Jimmy Ronalds was chosen foot-ball captain. Scott Harrison was again elected president. The holidays brought us a joyous Christmas Party in the Gym. The Junior-Senior Banquet was the climax to a series of brilliant memories.

The marked success of the class during the past year has been largely due to the efforts of the President, William Haverfield. Ruth Fowler, Vice-President and Martha Wright, Secretary-Treasurer have been able assistants. We entertained the Freshmen at a Hallowe'en Party. Our class parties over, we are awaiting the last entertainments of our High School Life.

First in school spirit though not in numbers the seventy-two have been leaders and loyal backers of the Black and Gold for four busy years. Whatever fate holds for us, we will always remember the pleasant days at U. H. S.

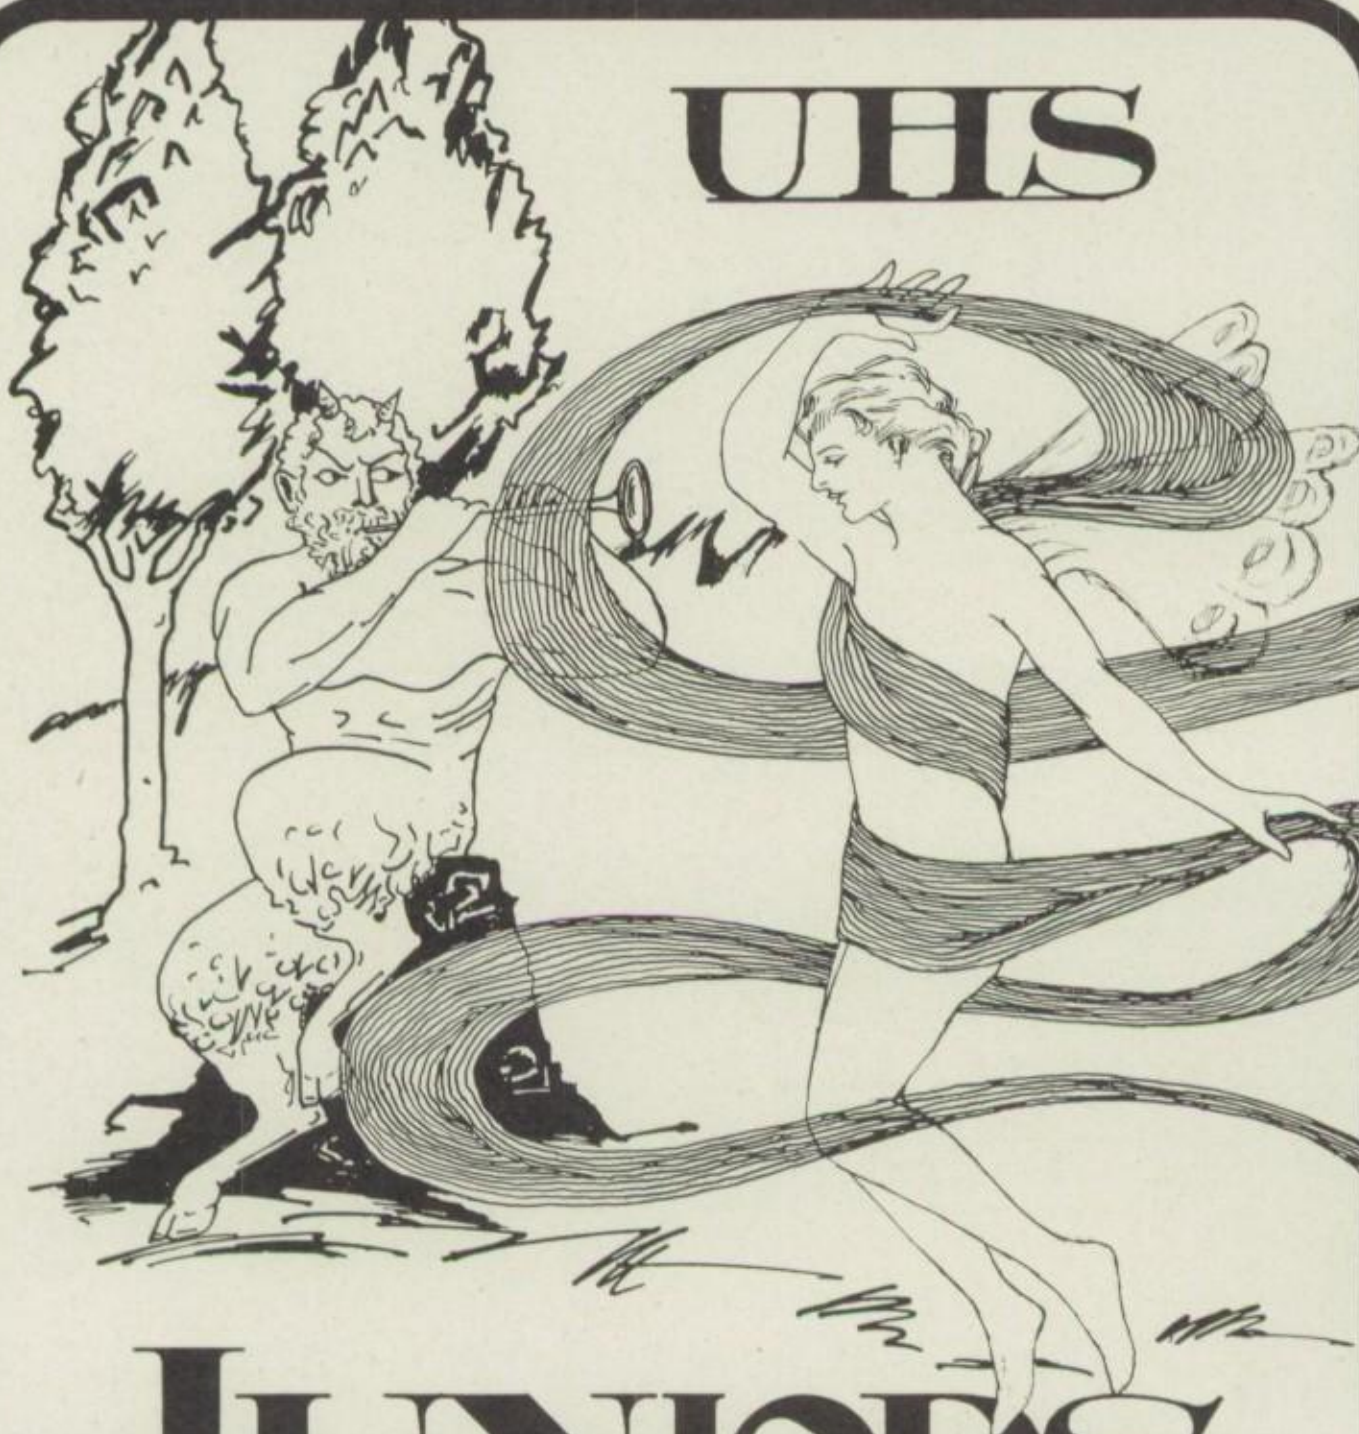

Edith Henthorne.

The Echo

To the memory of Dr. J. E. Groves, who forty years ago became a member of the Board of Education, who served many terms as President of that body, and whose loyalty to the Uhrichsville Schools is a constant inspiration.

Junior Class History

There is, I am sure some traditional device of rhetoric for beginning a class history—something about “entering the portals of learning”, and being a well-trained Uhrichsvilleite. I would not willingly depart from tradition. But, though I have searched through the library’s supply of Echoes from the newest to the musty, all have failed miserably to yield an opening lofty enough to fit our noble class.

We came to the U. H. S. in September 1924, having passed our light years in the grades, in a very hectic manner. We took our places with the upper classmen (which mistake was corrected in due time). The Seniors showed their appreciation of us by giving a party in our honor. We deigned to go and a thrilling time was enjoyed.

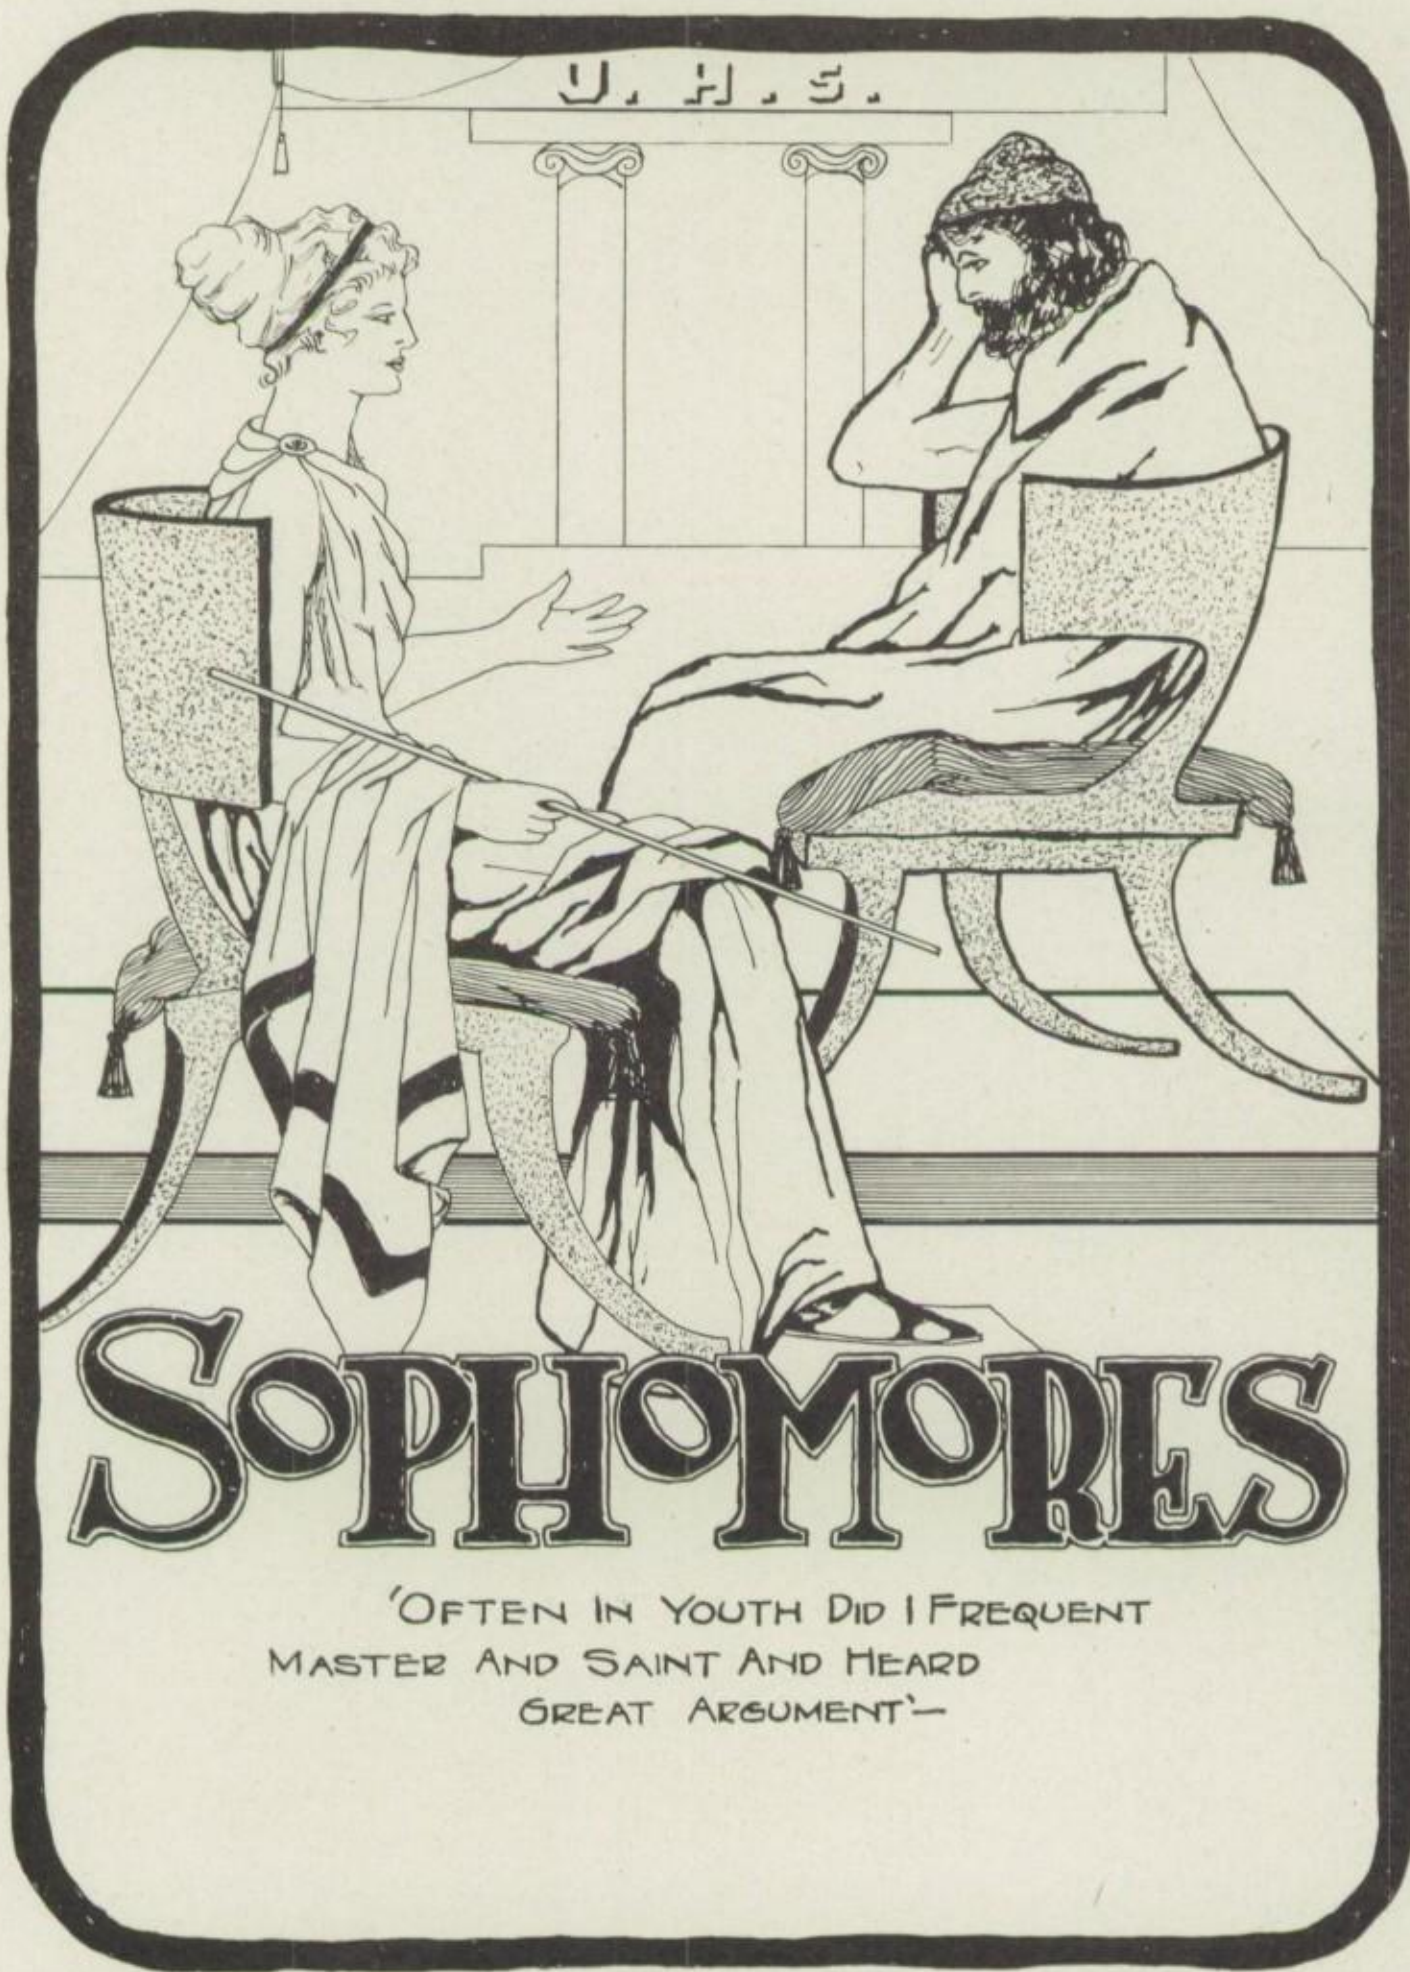

Our Sophomore year came and, as we had established ourselves in the eyes of the school, we took up with heroic spirit the arduous tasks that lay before us. Scarcely an organization of the school but had felt the influence of our Sophomore members. The athletes of the class were represented on every team.

The Junior year has been a busy one naturally with so many things to be done academically as well as socially and the upper classmen to be held in check.

Modesty prevents my dwelling any longer on the noble achievements of the present Junior Class. Forgetful of personal glory or gain we have given our all to the school and have left an indelible print upon the records of this institution. I have tried to show what our class is capable of and there is no doubt in our minds that in the remaining year we shall carry the standards of U. H. S. to an even higher pinnacle.

Most humbly,

Ralph L. Kinsey.

The Echo

To The Sophomores

We Sophomores have a dreadful time,
It really can't be told in rhyme—
The Freshies say "They think they're smart,"
The Juniors simply have no heart.

They hang around the corridors,
They loaf on first and second floors
And even after school is out
You'll see them hanging round about;
They try to make us feel so small
As if we didn't count at all .

The Seniors, only, are our friends,
And for the others make amends.
We hate to think they'll soon be leaving,
And that of course is why we're grieving.

A course of studies we will give,
It shows how hard we work to live.

First comes Ancient History,
Tells how other people lived, fought and dressed,
We know about ourselves,
What do we care about the rest!

The Geometry theorems confuse your brain—
The teachers explain and explain and explain
And we know nothing more than when we began;
It's really a wonder we're not insane.

The Latin translations take the cake
We scribble them off at lightning rate
Or else for class we'll be too late.

But we'll be Juniors next year, then
They'll have to pay attention, when
We strut around and do our "stuff"
And show them how we called their "bluff."

And when we're Seniors you will see
How very nice WE'RE going to be
To Freshies, Sophs, and Juniors, too—
They'll all be sorry when we're through.

Dedicated to
Wilma Snyder, '30
By, Her Aunt,
Mrs. Steen.

Freshman Class History

Having gone through eight rather strenuous periods of training, we were declared ready and fit to start on our four year conquest to conquer the demons who roam around the wild regions known as High School under the titles Latin, Algebra, Science, etc. A few, fearing the consequences of this battle, quit our ranks and were left behind, but as a whole our company was very eager to get into the fight. Mighty, although yet in our infancy, we started out trailing clouds of glory.

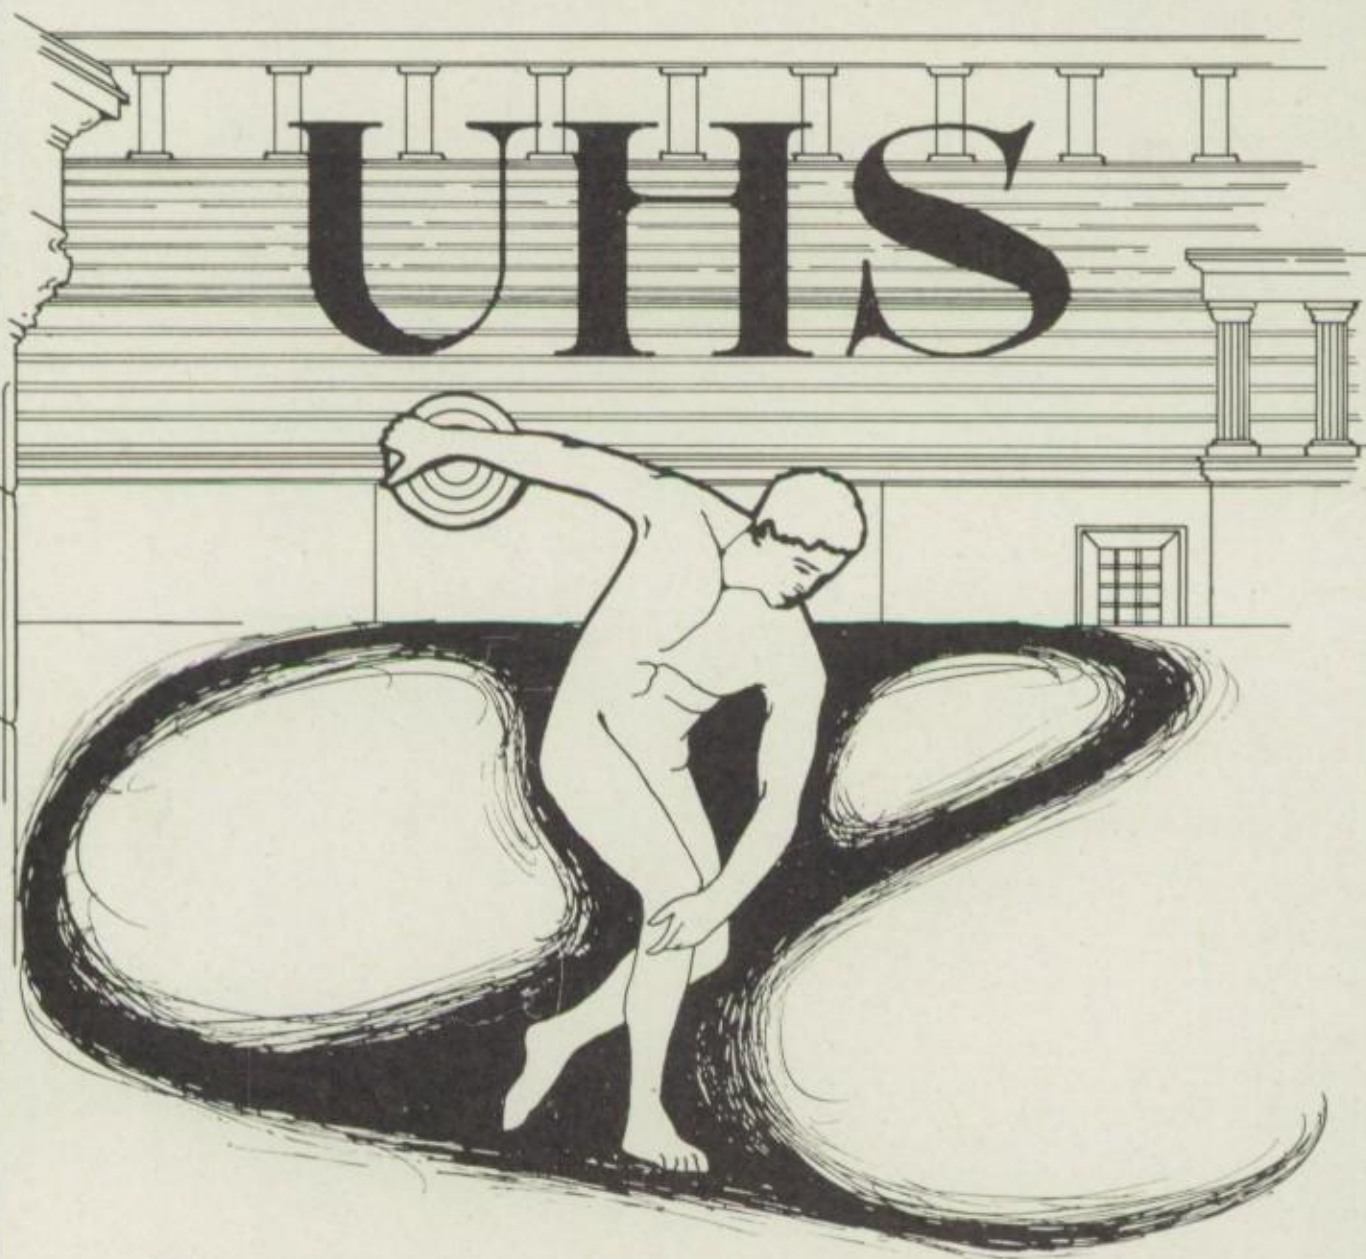

In the fall of nineteen hundred and twenty-seven, with hearts beating high, one hundred and twenty-three of us started our crusade. We became known as Freshmen for no better reason than because it is the custom. We were found to be very uneducated in the ways we were expected to conduct ourselves as Freshmen and you may be sure that our more experienced upper classmen lost no opportunities to remind us of this greenness.

On Hallowe'en, the Seniors entertained the Freshmen with a Masquerade Party that served to break the ice between the two classes. This party was greatly enjoyed and appreciated by the Freshman Class.

The majority of our company have overcome all the tests and trials of freshman and are looking forward eagerly to the second period of our campaign when our opposition will contain new and larger foes.

With promising athletes and students we are assured of a brilliant future for the class of '31.

Robert Milone.

"J. P." JONES

There are athletes and athletes, but there's only one J. P. Jones. In track and field it is no uncommon thing for a fellow to excel in one or two events, but J. P. is brother Versatility himself. High point man at New Concord, he holds the O. H. S. A. A. gold medal for Eastern Ohio. And it does not in the least detract from his success to know that hard work, strict training, and self denial form the foundation for his skill. The Black and Gold is justly proud of him.

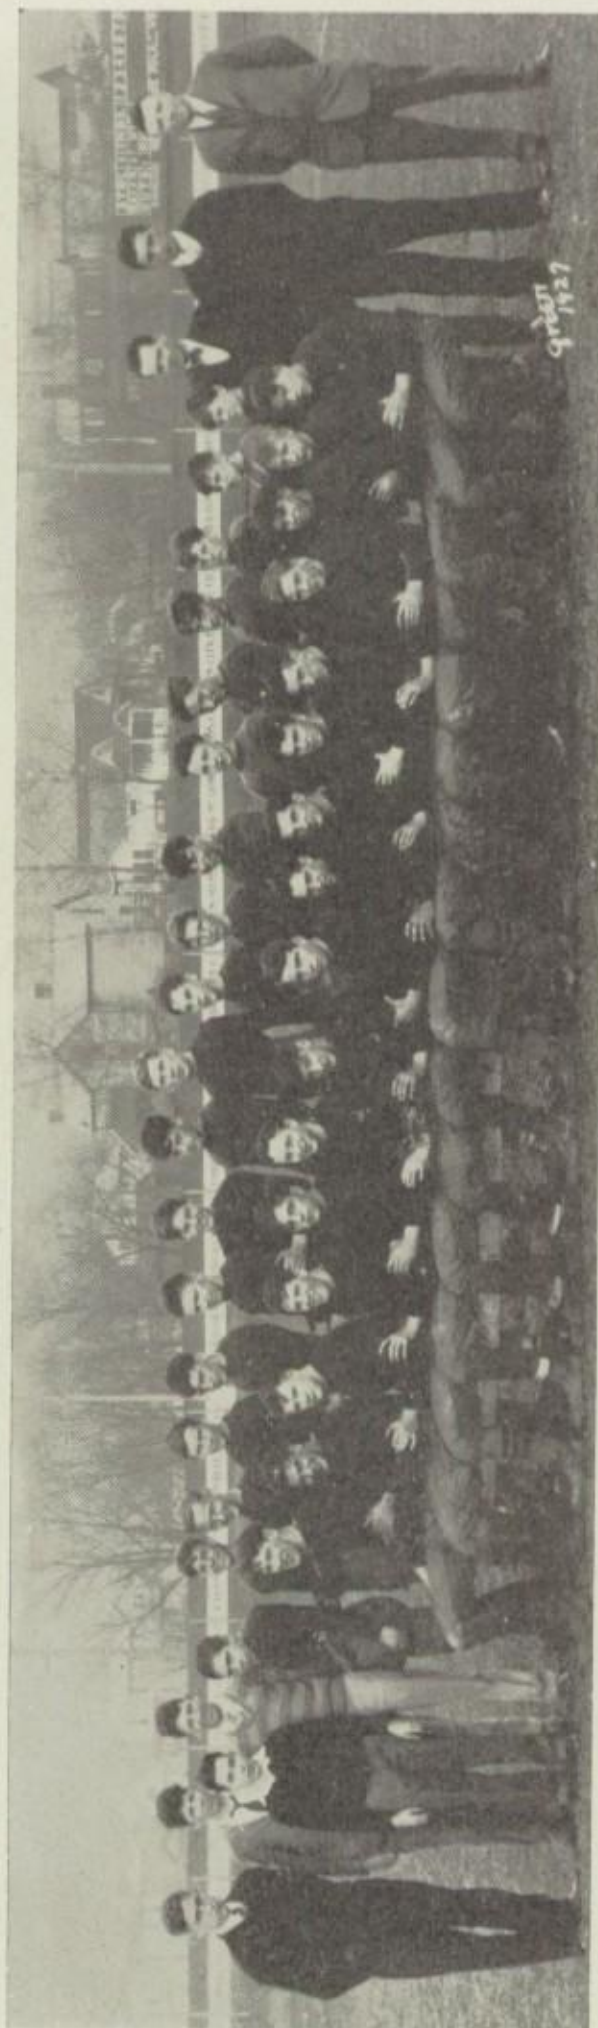

The Track Squad

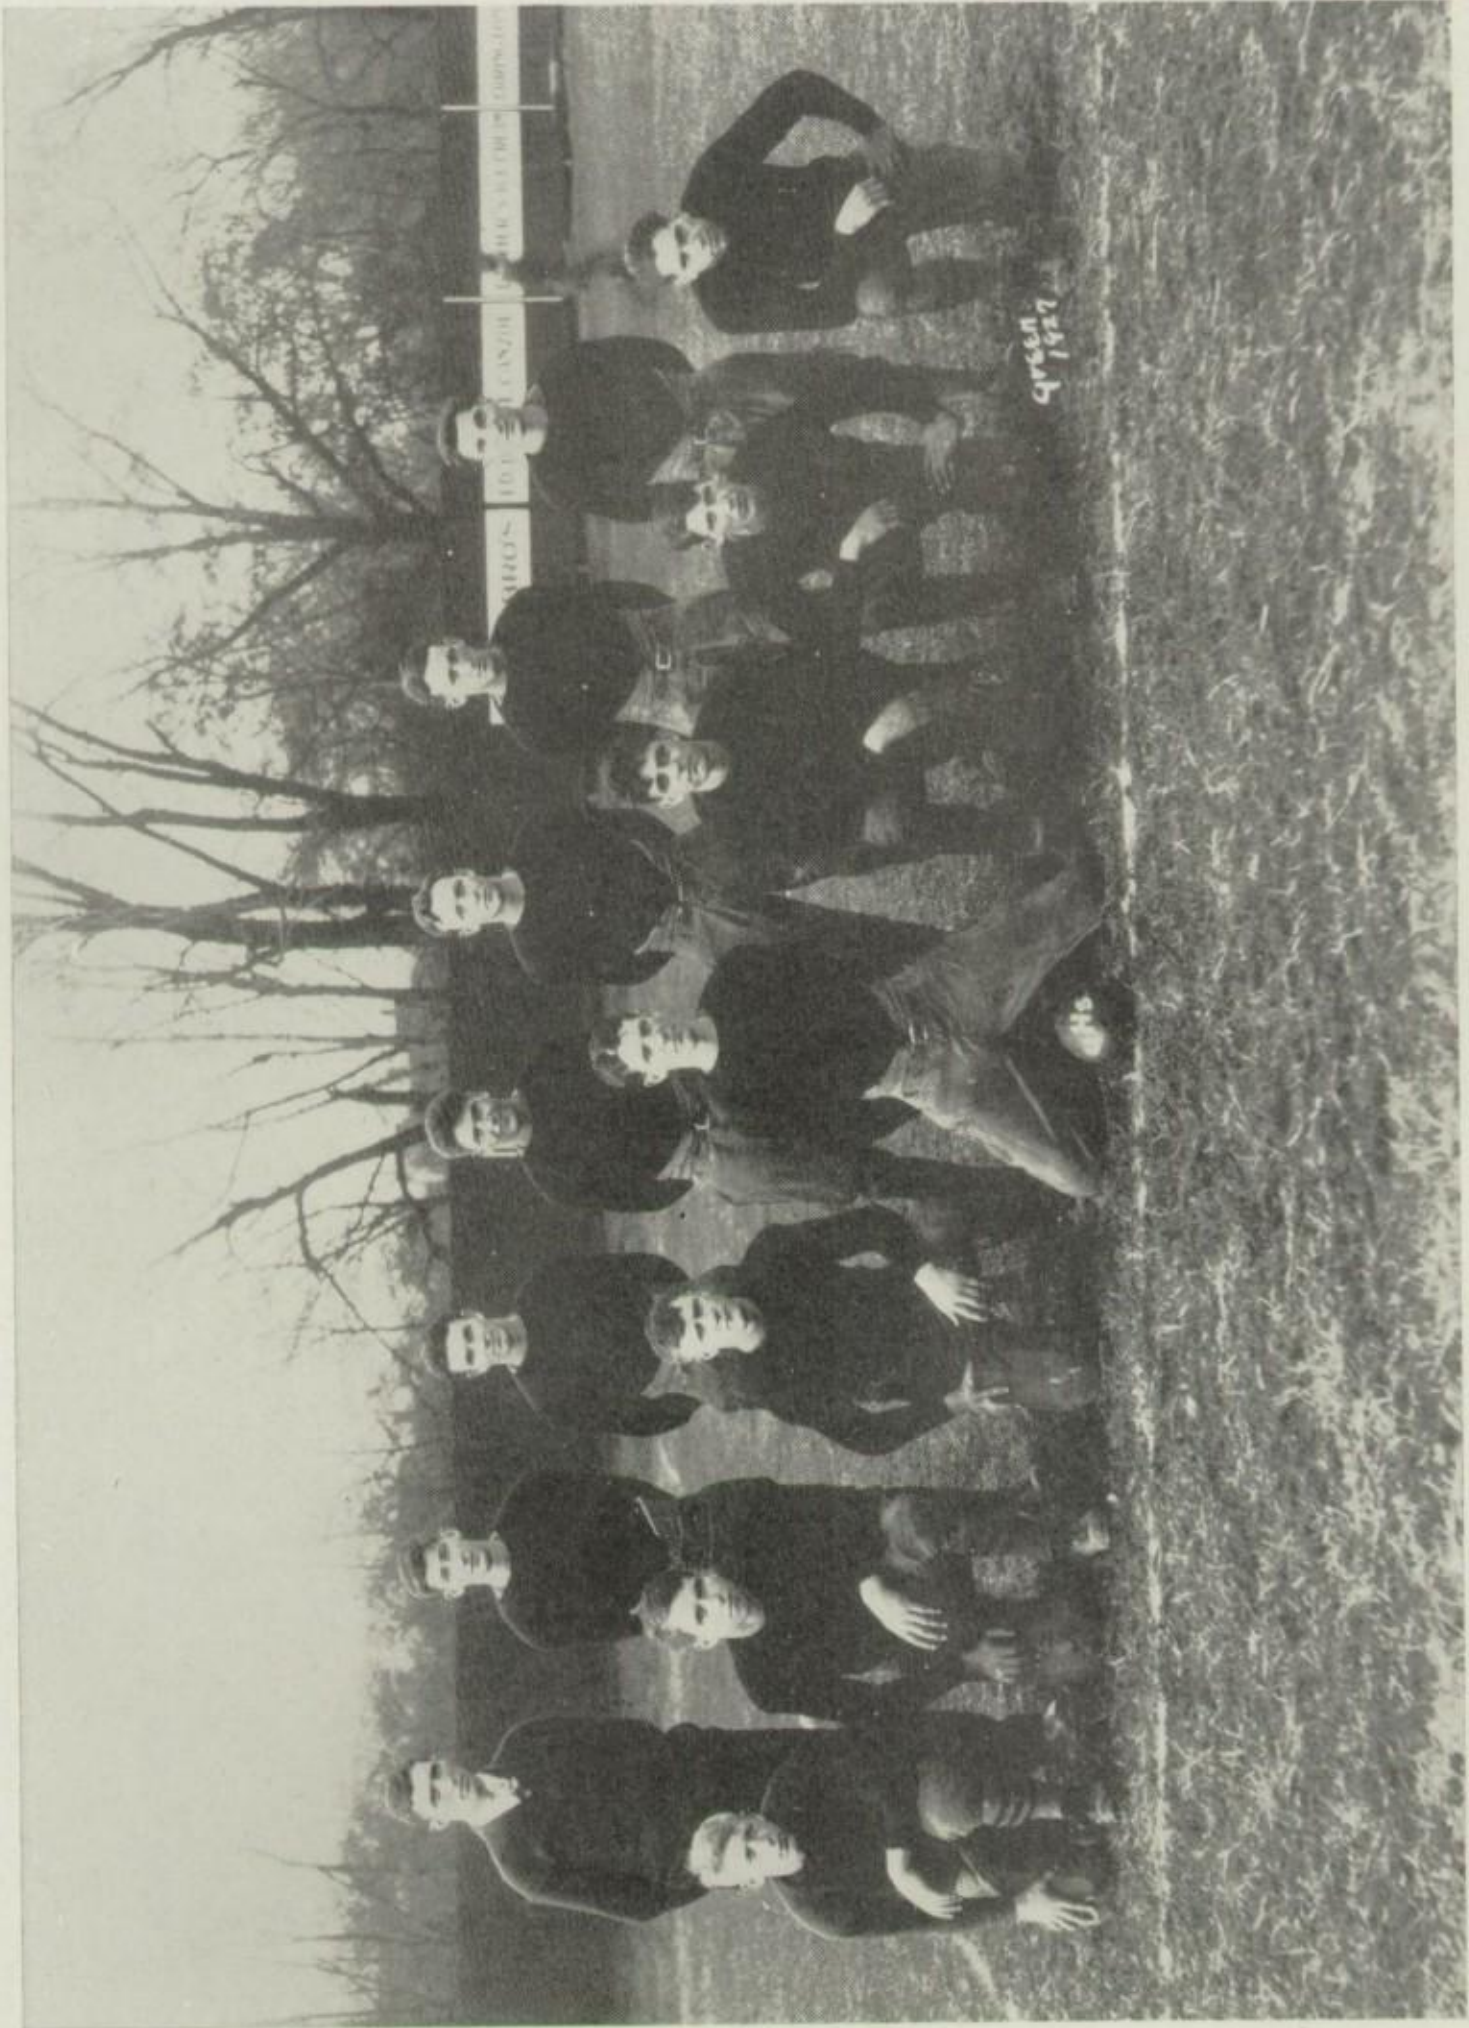

A brief record of the Class Meet may be summarized thus:

Juniors	58	Points
Seniors	50½	Points
Sophomores	36½	Points
Freshmen	0	Points

High point winners: J. P. Jones, Junior-18 Points; Fauver, Senior 16 Points; Cummings, Senior-12 Points; Huff, Junior-11 Points; Deeser, Sophomore-11 Points; Donald Maurer, Sophomore-9 Points; Robert Maurer, Junior-9 Points; Bruce Ronald, Senior-7 Points.

The Echo

JAMES RONALD—*Half-Back*

"Jimmie" has played three years on the Varsity and has proved himself to be of much aid to his team. Jimmie was in every quarter this year and scored 44 of his team's 144 points. He was always there and fighting.

EDWIN MOODY—*Tackle*

This year the team will lose a valuable three letter man—namely "Ep". Those who saw the Millersburg game will heartily agree.

PAUL WILLIAMS—*Half-Back*

"Dogmeat" played well in every game and when a gain was needed he seldom failed. He has played his last game for U. H. S.

HARTMAN WEST—*Center*

"Snakes" has saved the team in many instances with the aid of his accurate passes. Snakes leaves this year, having played two years on the varsity.

J. P. JONES—*End*

When "J. P." gets the ball he dashes right to the goal—his lengthy runs have been most helpful to U. H. S. Especially was he a valuable player in the New Phila game.

"CHICK" MAURER—*Half-Back*

"The dashing, daring Halfback."

Chick was the irresistible force of the back-field, and the most consistent ground gainer on the team. He scored 54 of his team's 144 points. He returns next year.

The Echo

DELBERT HUFF—*Center*

"Deb" has played his last game of Varsity Foot-ball under the Black and Gold. Deb was one of the best Centers that Uhrichsville ever had.

WILLIAM HAVERFIELD—*Guard*

"Bill" was a dependable worker on this years team. A Senior, he has played his last game for U. H. S., he will be badly missed next season.

LOUIS MOON—*Full-Back*

Louie's playing showed that size does not have so much to do with playing foot-ball. This is his first year on the varsity and we expect great things of him next year.

GLENN FURBAY—*End*

"Dutch" has fought for the Black and Gold for two years and has proven that he will make a strong player in the next two years. Accurate passing won "Dutch" much fame.

ROBERT STEVENSON—*Guard*

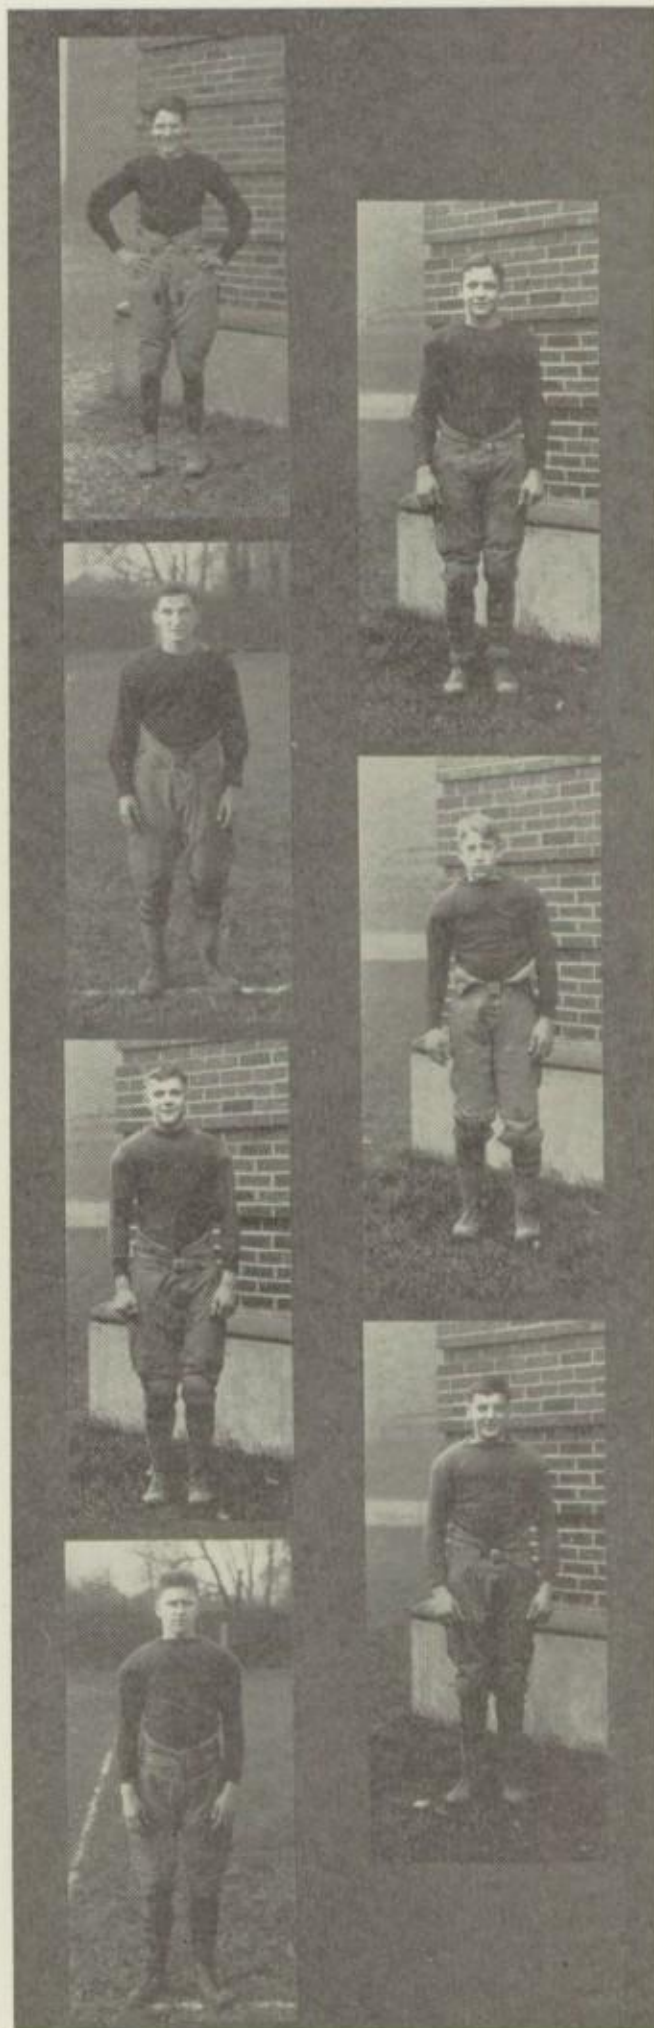

"Bulldog" has two more years in which to fight for U. H. S. He made the varsity when only a Freshman, and has showed that he has not been playing two years for nothing.

DAVID LONG—*End*

"Dave" comes from great foot-ball stock and possesses much of brother Chet's gridiron ability. Dave has one more year to enlarge his reputation as an athlete.

ARTHUR FERRELL—*Guard*

"Art" more than made good in his first year of foot-ball. Great things are expected of him in his next and last year.

The Echo

COACH LAMME

"Buck" came to us with a reputation of a star athlete of Ohio Wesleyan, much was expected of him. He has fulfilled these expectations well. Taking an unexperienced bunch of players he molded winning team.

MARTIN SPRING—*Tackle*

"Monk's" ability as a tackle was a valuable asset to the U. H. S. He returns next year.

JACK HAND—*Guard*

Jack came to us from Port Washington, and although it was his first year he showed wonderful ability as a foot-ball player.

P. R. JONES—*End*

This was Paul's first year as a varsity member. The experience he gained this year should be of great aid next year.

ROBERT MAURER—*Quarter-Back*

This was Bob's first year as a varsity member and he was certainly always there with vim and pep. Bob's ability at receiving the kick-off will long be remembered as he never made a fumble through out the season.

HARRY WORKMAN—*Tackle*

"Bud" is another newcomer to our team, but he played a good steady game at all times.

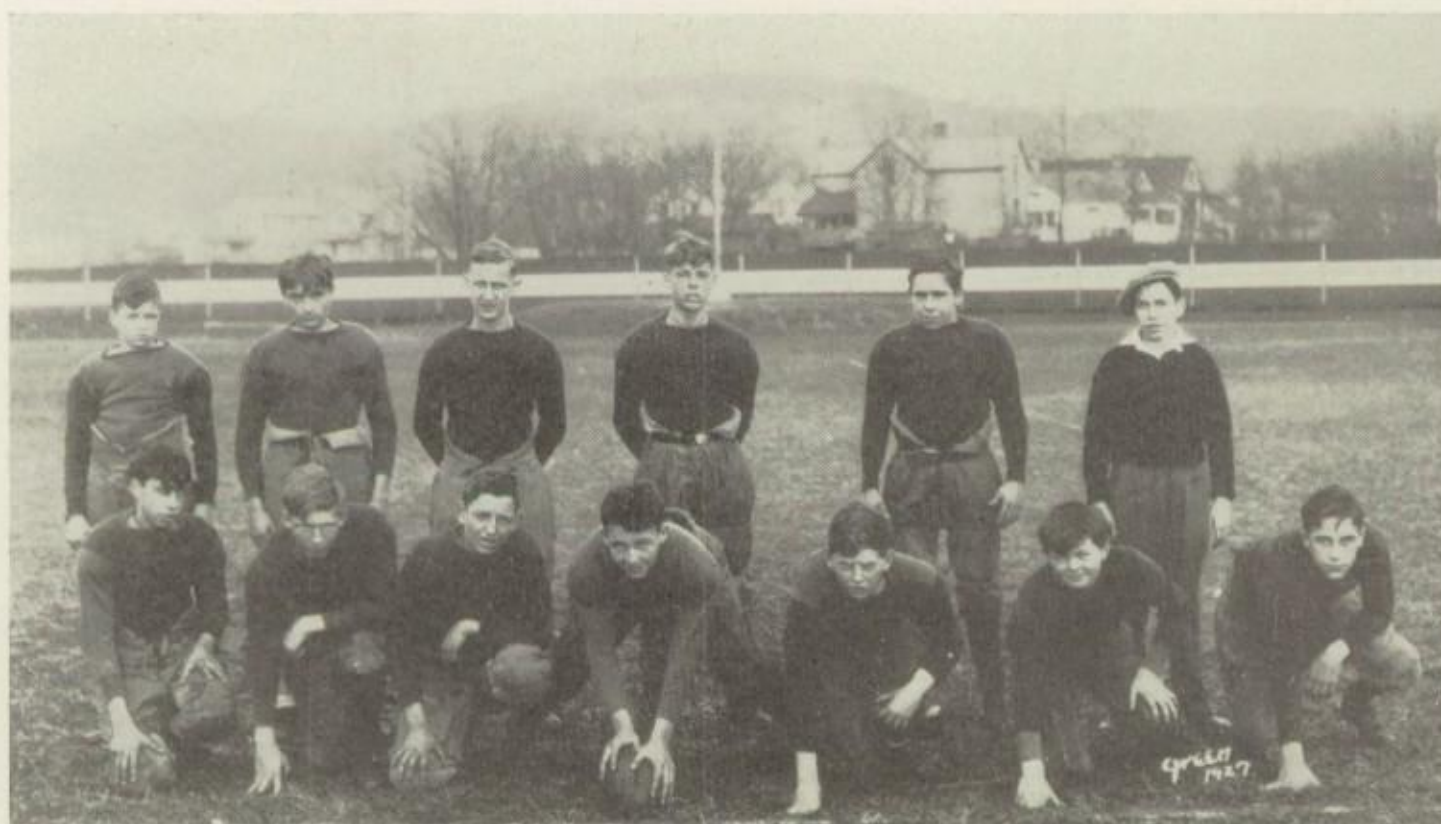

WILLIAM WOODS—*Tackle*

"Skinny" has made a name for himself in his first year as a Varsity Player. He'll be a good man to have around next season.

FRESHMEN

Boy's Basketball

This basket-ball season has indeed been a success, due to the untiring efforts of our new Coach, "Buck" Lamme and the commendable work of the team.

The opening game was easily won from West Lafayette, but was followed by a defeat at Massillon, the score being 37-20. Jimmie Ronald, our Captain, led in scoring with 13 points.

Probably one of the most exciting contests was the game with Columbus East High. Things looked favorable for Uhrichsville up until the second half when Columbus came from behind to win 32-22. "Jim" again led the Black and Gold in scoring.

Dennison, our old rival was easily defeated and the next game—Dover—which the "fans" had been waiting to see, ended with disappointing results. The next night U. H. S. won from Millersburg which shows that one defeat doesn't always lead to another.

By far the most exciting and best played game this season was that of New Philadelphia which was waged in our Gym. Our team displayed remarkable ability throughout the entire game. "Dutch" Furbay outshone all in this game with his alertness. Much will be expected from him in his next two years of Basket-ball, the hope being that he may prove himself to be a second "Lonnie".

Two of our heaviest losses occurred when Dover and New Philadelphia defeated us two consecutive nights; after displaying such unusual tactics in the first game with New Phila, our defeat was taken amidst much gloom.

The last two games of a memorable season were first a victory staged at Newcomerstown and then a defeat at home against Akron North.

Girl's Basketball

Due to the fact that Class A Schools are forbidding Girl's Basketball U. H. S. was next to fall in line.

But this has not prohibited our having class teams and in the tournament the Seniors were the victors.

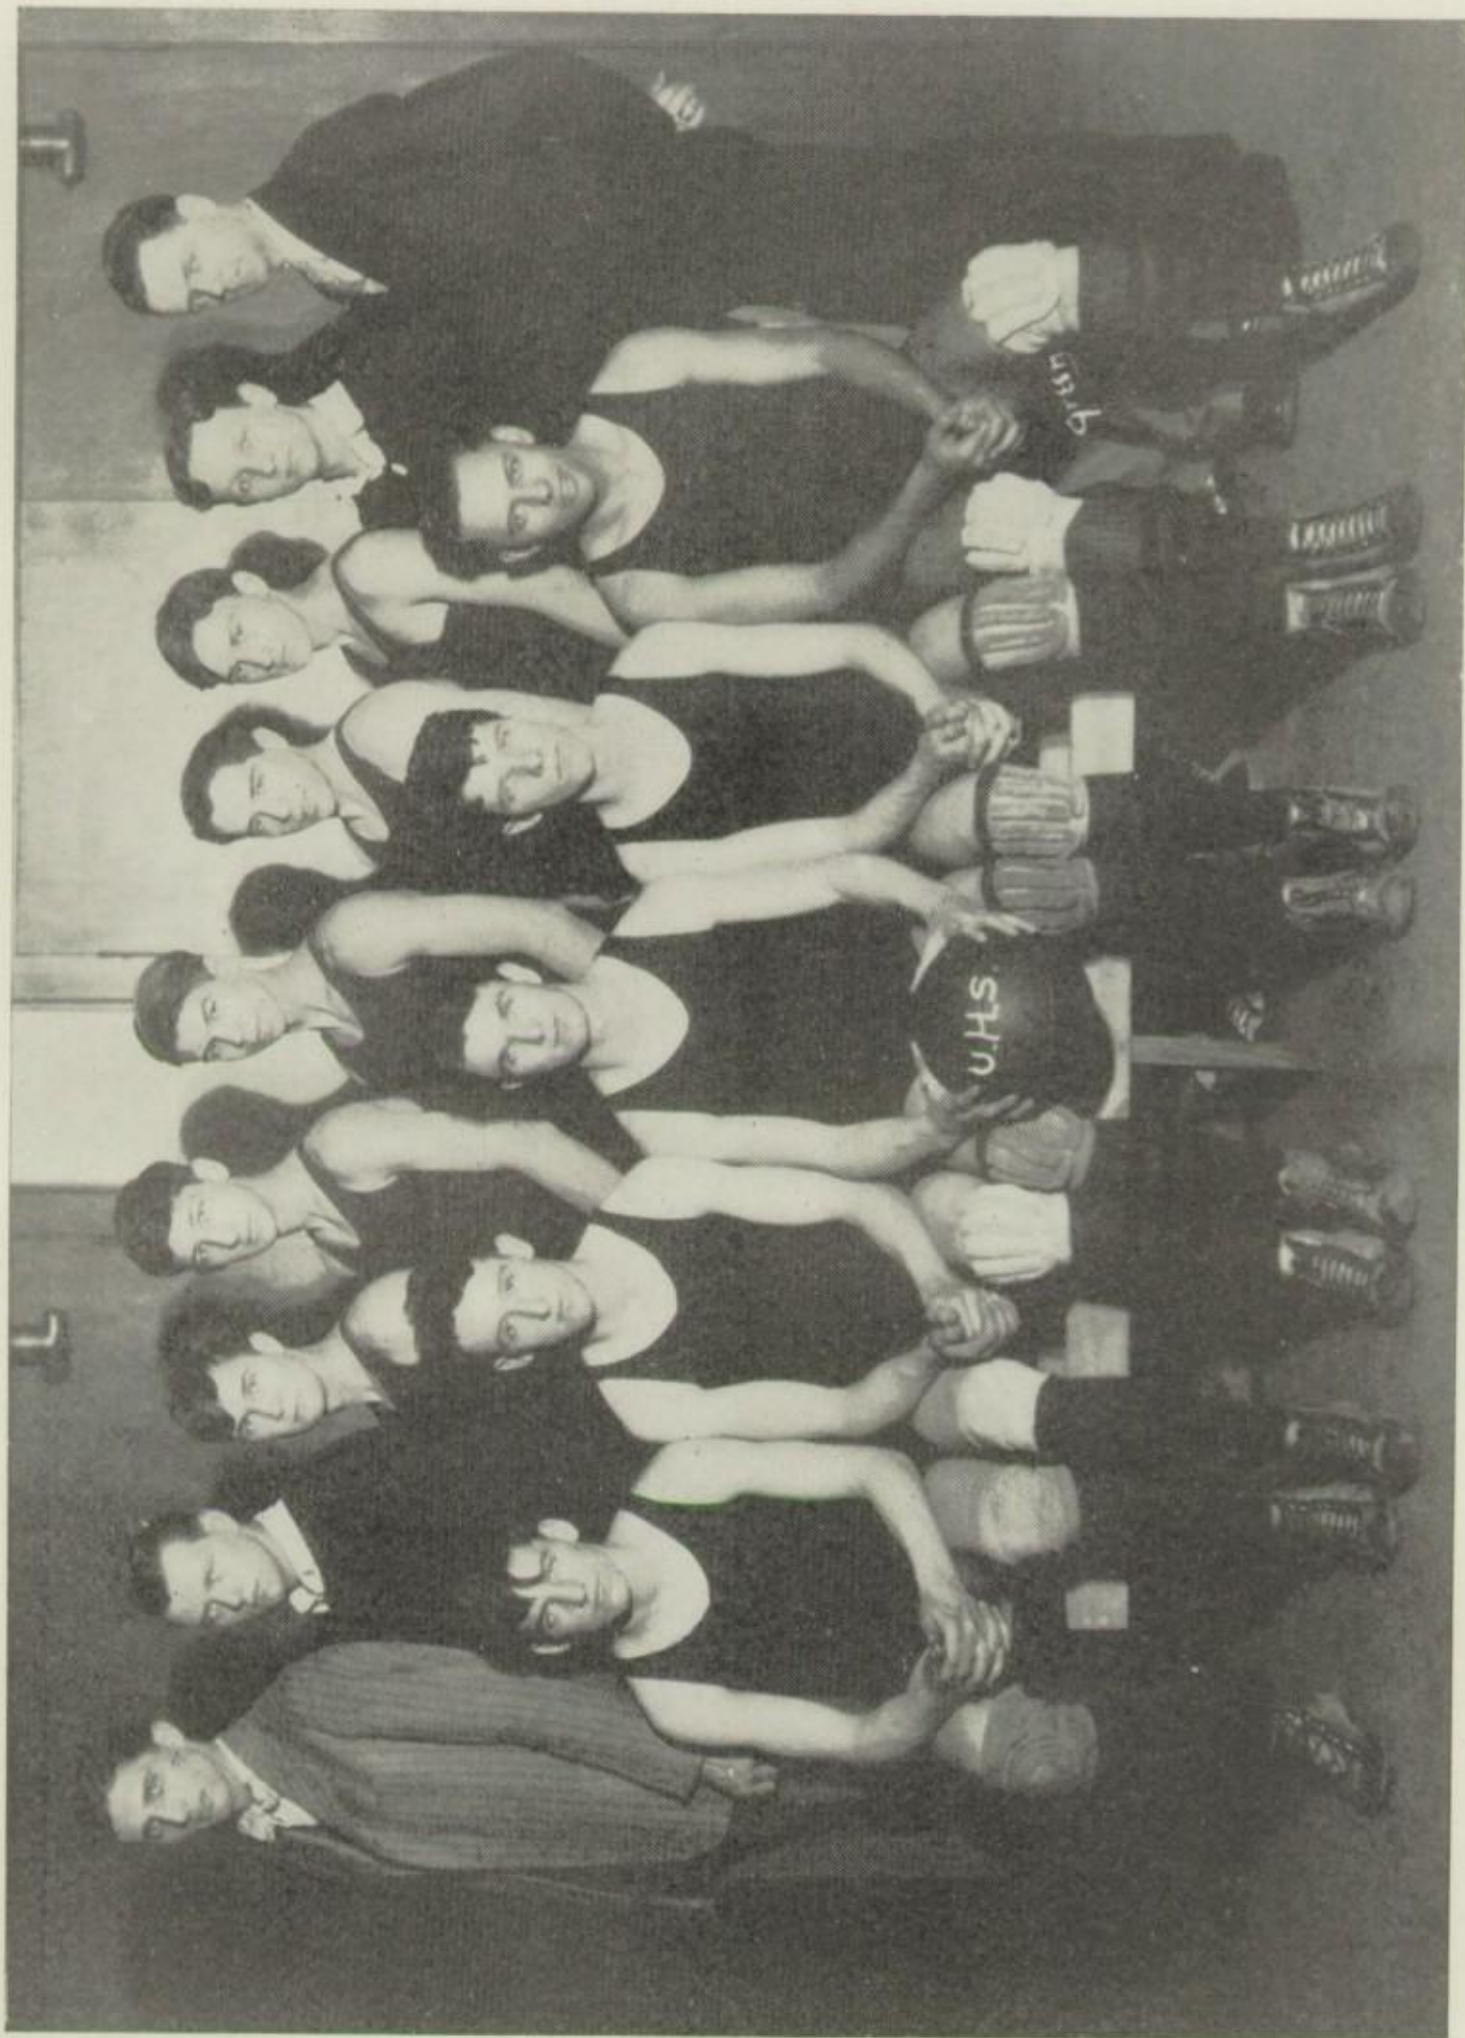

The scores of the games were as follows:

Seniors 15 Juniors 11

Seniors 18 Sophomores 15

Seniors 21 Freshmen 10

Captains for the teams were Ardith Patterson, Freshmen; Ida Jane Page, Sophomores; Evelyn Patterson, Juniors; and Edith Henthorne, Seniors.

ROBERT MAURER—*Forward*

Another first year man, who proved himself a valuable asset to our team. As a senior and splendid player, Bob will be missed.

MAYNARD ROWLEY—*Forward*

This is "Duke's" first year, but an accomplished one. He played especially well in the New Philadelphia game here. Duke has another year to score for Uhrichsville.

DELBERT HUFF—*Forward*

The "slickest" player on the team and his cleverness caused his opponents no end of grief.

MARTIN SPRING—*Center*

"Monk", a new varsity player, but one who has played like a veteran. He has one more year in which to excel.

The Echo

DAVE LONG—*Forward*

Another Junior "Flash" who was seldom out played.

"JIMMIE" RONALD—*Captain and Forward*

"Jimmie", the dependable, is always reliable and has led our team in scoring this year. He will not be easily forgotten among the athletic heroes of U. H. S.

"CHICK" MAURER—*Center and Guard*

As in foot-ball "Chick" played exceedingly well in all games.

GLENN FURBAY—*Guard*

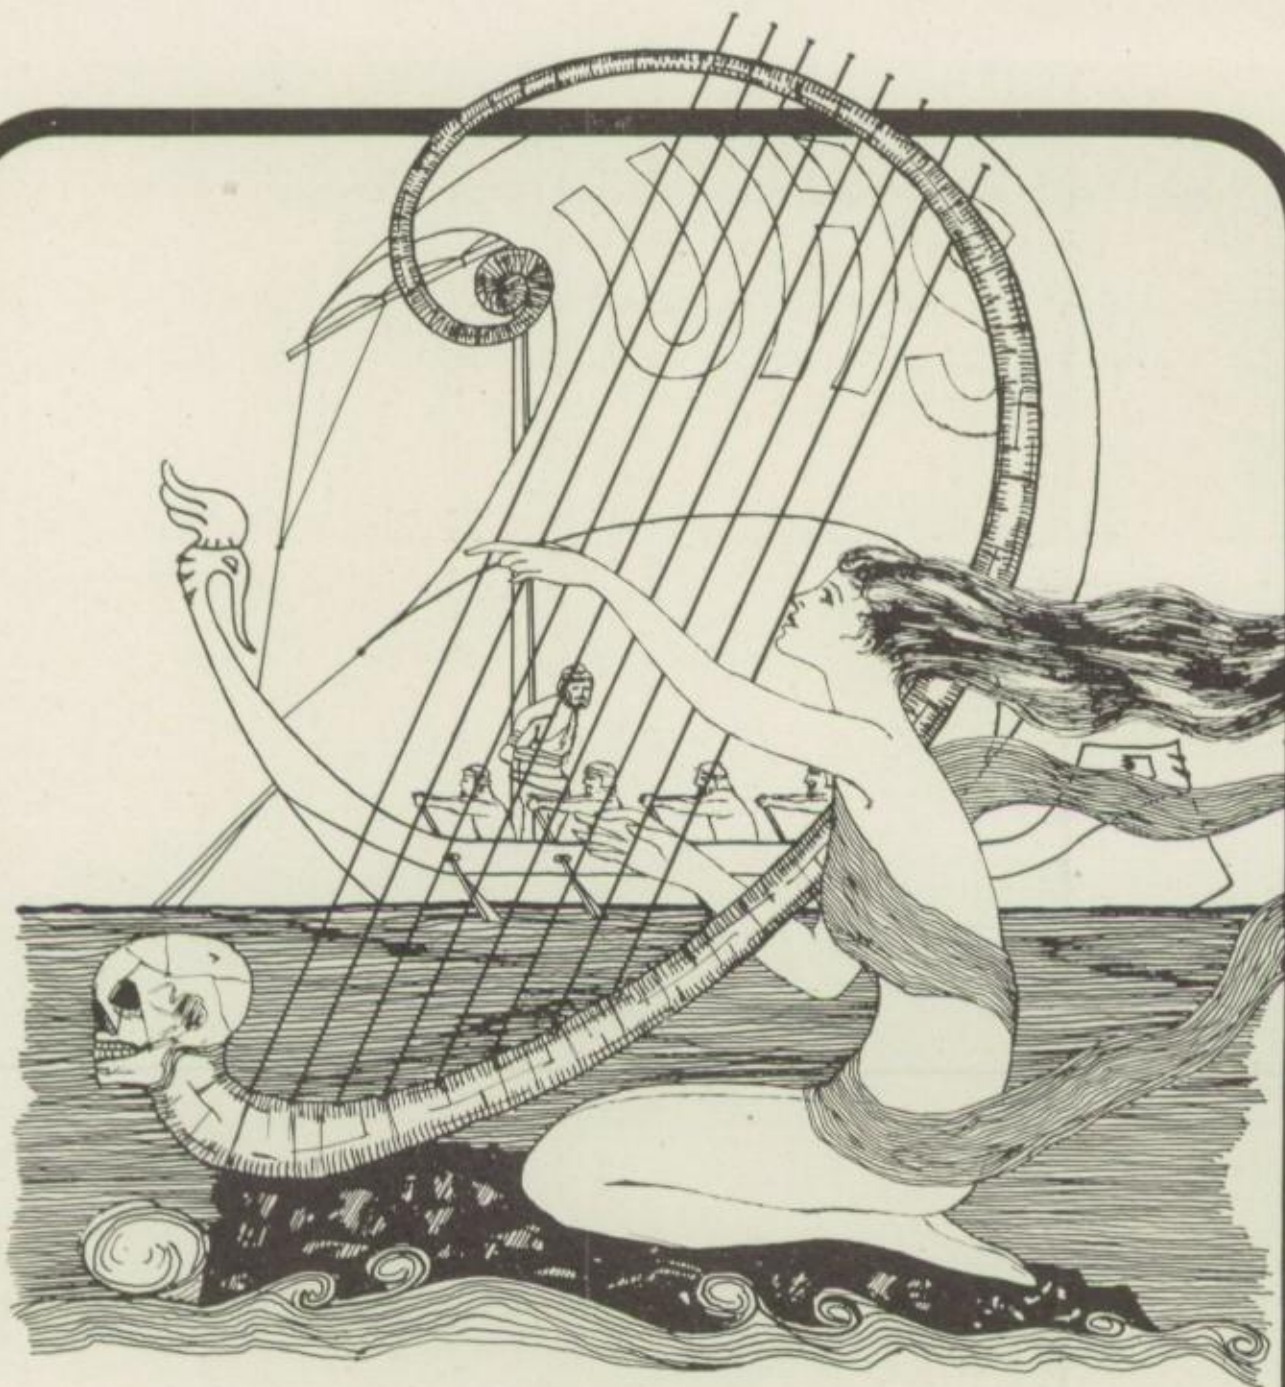

Playing his first year of varsity B. B. "Dutch" more than made good. He should make an enviable record for himself in his remaining two years.

JOHN HAND—*Guard*

"Jack" came to us this year and by flashes of real ability helped gain many points for U. H. S.

Credit should be given to Miss Funk for her efforts in maintaining the success of music in the Uhrichsville Schools for the past year.

The Orchestra

The High School Orchestra held the most important place in the music organizations this year. The Orchestra of this year was much larger than it has been formerly. It afforded music for the many chapel exercises, parties, lecture course numbers, and school entertainments.

LADIES SKIP THIS

Ladies skip this paragraph! It is really unfit for publication but it got in by some mistake, and I asked the printer to destroy it, or set it wrong side up.

If there's anything worries a woman, it's something she ought not to know; you can bet that she'll find it out somehow. If you give her the least kind of show. Now we'll wager a half to a jiney this poem she's already read. We knew she would read it somehow if she had to stand on her head.

Glenna: "All bright men are con-ceited."

Bob Brown: "O! I don't know; I'm Not."

Glen Jones: "Say, Bill, I've got a wonderful scheme for making money fast."

"Bill Wright: "Going to let me in on it?"

Glenn: "Sure; all you have to do is to glue it on the floor."

Marge Robinson (explaining how to drive a Ford): "If you know how to drive a gear shift car you can drive a Ford. There's nothing to it. The pedal on the left is the clutch, the right one is the brake and the middle one is the back up."

Tipton: "I've had this car for years and never had a wreck."

Barr: "You mean you've had this wreck for years and never had a car."

Miss Harper: "What does this poem tell us?"

Sam Hitchcock: "It tells all about the sun setting in the East."

Jack Shaw: "You can't make a monkey out of me."

Ida: "Well, someone did."

Teacher: "Give, for one year, the number of tons of coal shipped out of the United States."

Tom Morris: "In 1492—none."

The Echo

Deb: "I stood up for you yesterday."
Maurer: "Thanks, I appreciate your kindness in not allowing people to slander me."

Deb: "The teacher was taking a vote for the dumbest one in the class and I stood up for you."

Big Bill: "Is it cold enough outside for a coat?"

Chick: "Yes, and pants too."

Paul Jones: "That's a beautiful black eye you're sporting."

Hildebrand: "Uh, huh. And I'm looking for the man that started this silence gives consent stuff."

Fred Barr: "I think Tom's girl is as pretty as a picture."

Craig Price: "Yes, but what a frame."

Miss Wiest: "Who fiddled while Rome burned?"

Breeding: "Hector."

Miss Wiest: "No!"

Breeding: "Towser."

Miss Wiest: "Towser, what do you mean? It was Nero."

Breeding: "Well, I knew it was somebody with a dogs name."

Mr. Creager: "Name some liquid that won't freeze."

Roger Duncan: "Hot water!"

Bertha Soules: "What do you call a man that drives an automobile?"

Margaret Hilliker: "It depends on how close he comes to me."

Bill Haverfield: "One kiss from you and I could die happy!"

M. Mazurie: "Well, here's your kiss."

Martha Wright: "Oh, Bill! There's a cw oout in the front yard."

Bill Wright: "Well, dash out and milk it before it gets away."

Gross: "I've discovered the cause of 90% of all divorces."

Shaw: "Remarkable, what is it?"

Gross: "Marriage."

Hazel: "I'm not myself tonight."

Lukens: "Then we ought to have a good time."

Dave Nelson: "But surely you didn't look for escaping gas with a match?"

Joe Tipton: "Oh! but this was a safety matchr."

Dorothy Tharll: "What did you say?"

M. Morrow: "Nothing."

Dorothy: "Of course, but how did you express it this time."

Mr. Shimp: "Wright, what do you come to school for?"

Wright: "You got to go someplace to learn how to read these movie titles."

Mr. Kummer: "Greenlee, what do we mean by the family circle?"

Greenlee: "I don't know unless its the steering wheel."

Miss Harper: "Who was in command of the English at New York?"

Hollie: "How?"

Miss Harper: "Thats right."

Just A Song At Twilight—Allensworth had soup for supper.

Mr. Kummer says that to preserve domestic peace, you must keep that school-girl complexion off your coat shoulder.

Porterfield: "What happened to Page's old Ford?"

Mr. Creager: "He traded it in on a new tire."

Covert: "There's VanLehn with a smile all over his face."

VanLehn: "Where else would it be?"

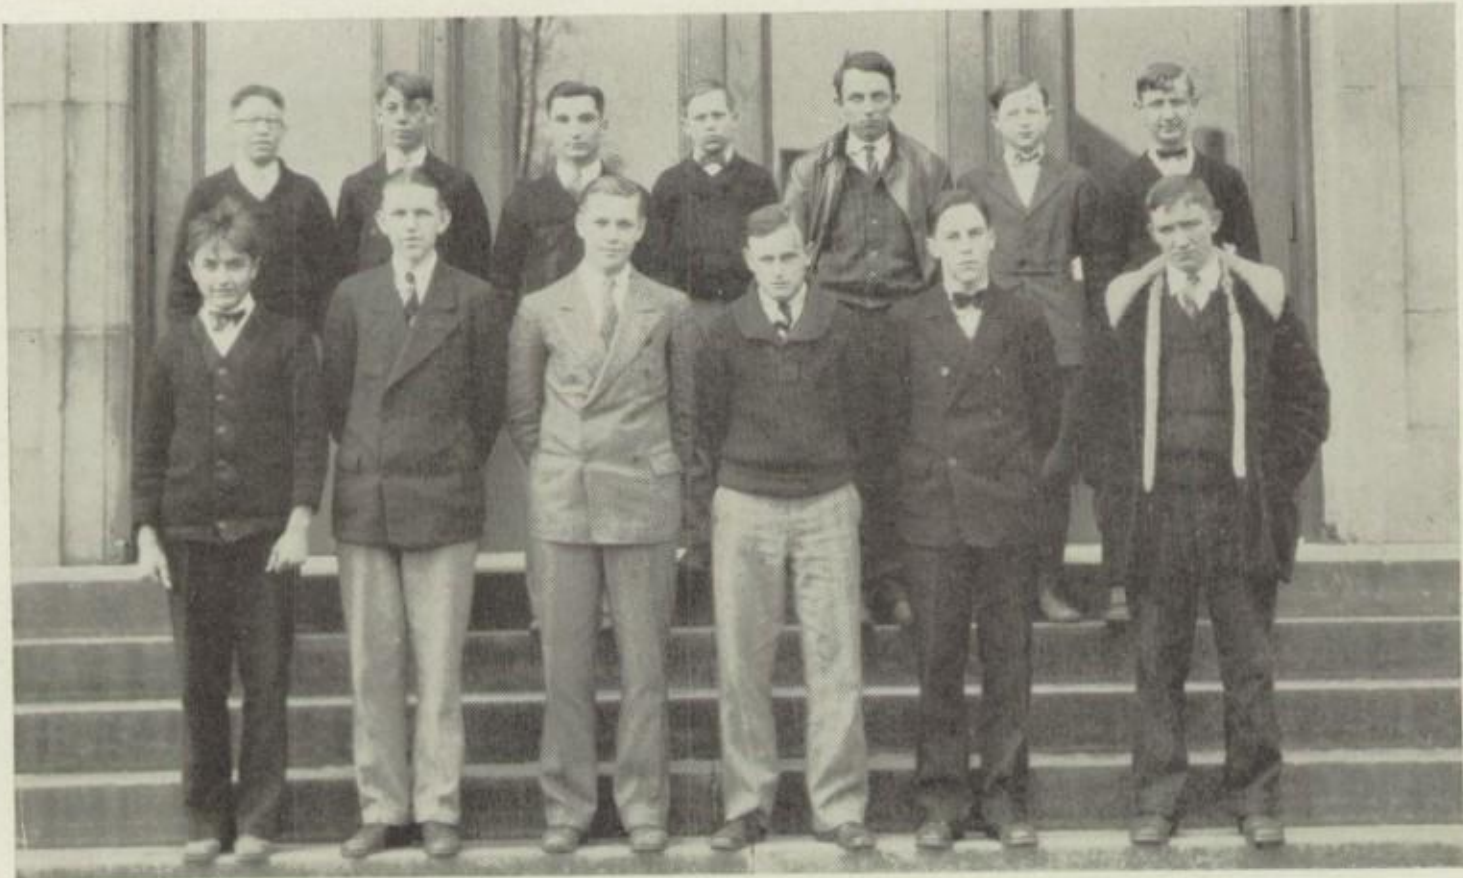

McConnell: "I don't like these pictures at all. I look just like an ape."

Hazel Neinniger: "You should have thought of that before you had them taken."

Miss McCann: "Little boy, it makes me sick at heart to catch you smoking."

Philip Romig: "It seems to catch me more in the stomach."

ACKNOWLEDGMENT

The drawings in this book were made by Mr. W. F. Demuth—Ex '06, and father of Dorothy Demuth '28. The Echo Staff takes this opportunity to express its thanks to Mr. Demuth.

Style of the sort that is favored . . . Style that harmonizes with the well dressed note of every occasion . . . Style that we stand back of because it is absolutely right. And shoes so well and comfortably made they cannot fail to satisfy. Mostly \$7 to \$10.
